SCHOOL OF NURSING

Georgia Southern University's School of Nursing offers degree programs at the baccalaureate and graduate levels. The nursing faculty is committed to helping meet the nursing care needs of the underserved rural population of the region by providing high quality nursing education programs. The nursing faculty stresses health promotion as the central concept of the curriculum. Caring is a thread throughout the curriculum as it is the essence of nursing. The School of Nursing programs incorporate high academic and ethical standards and a caring environment for students.

RN-BSN PROGRAM - ONLINE

Registered nurses who wish to obtain their Bachelor of Science in Nursing degree may do so in a part or full-time RN-BSN Continuation Program. The undergraduate nursing program at Georgia Southern is approved by the Georgia Board of Nursing, and both the undergraduate and graduate programs are CCNE accredited. Courses are offered via the **internet**. Students are allowed to complete their non-nursing course work at institutions close to their places of employment. Faculty advisors work with students on a regular basis to help them plan their matriculation.

Admission to the Program*

Requirements for admission into the program are based on requirements in place at the time of application. In order to be considered, applicants must have:

- Attained admission to Georgia Southern University;
- Earned an Associate Degree or Diploma in Nursing from an accredited institution;
- Proof of current Georgia RN licensure;
- Earned a minimum of 45 semester hours of required course work;
- Achieved a minimum cumulative GPA of 3.0 on all attempted hours in core curriculum in areas A-F. Those students who hold a B. A. or B.S. degree must have a minimum GPA of 3.0 for all course work. (Provisional admission with a 2.7 GPA is available; students admitted on a provisional status must earn a GPA of 2.7 for the first 6 hours of nursing courses).
- Returned the completed nursing application to the School;
- Participated in the School of Nursing Orientation OR arranged an alternate orientation with the RN-BSN Director;
- Met requirements of the Georgia RN-BSN Articulation Model;

RN applicants must meet the following requirements upon admission to the RN-BSN program: School of Nursing clinical course requirements, including:

- Health history and physical examination;
- Immunization requirements including measles, rubella, and hepatitis B;
- Tuberculosis screening;
- Current American Heart Association CPR for Health Care Providers' certification;
- Health professions liability insurance for Registered Nurses; and
- Personal health insurance.

***These requirements are subject to revision.**

Progression Requirements

Progression requirements are the same as the prelicensure students except that the School endorses the Georgia Articulation Plan; **students who satisfactorily complete 6 semester hours of nursing course work will be awarded 29 semester hours for junior and senior level courses.**
