

GEORGIA SOUTHERN UNIVERSITY SCHOOL OF NURSING
JUNIOR LEVEL – Student Annual Evaluative Summary

Directions: At the completion of your junior level years (Junior II), submit your “Student Annual Evaluation Summary” along with your Portfolio addressing each of the (7) SON Program Outcomes listed below. The summary is 1-3 typed pages, double-spaced; in narrative form using APA format.

<i>Student Annual Evaluative Summary</i>		
1.	<i>Introduction</i>	<i>Give a brief description of where you are in your professional development since you began the nursing program.</i>
2.	<i>SON Program Outcomes</i>	Describe your personal development (with supporting examples) on each outcome listed below:
		I. Demonstrate understanding of core knowledge and problem solving principles in evidence based decision making to provide therapeutic nursing care within a health promotion framework.
		II. Apply principles of responsibility and accountability for professional nursing roles.
		<i>III. Explore scholarly inquiry and analysis for decision making, critical reasoning, and creative thinking to improve nursing practice thereby enhancing healthcare outcomes.</i>
		IV. Express caring, compassion, and empathy in all aspects of nursing practice.
		V. Demonstrate collaboration in partnerships to promote, maintain, and restore health.
		VI. Identify leadership principles in nursing practice.
3.	<i>Conclusion</i>	<i>Summary of Strengths and Areas for Growth:</i> Provide description of your strengths and areas for continuous growth.
