### Remember

- ◆ The first four courses in Area F (INDS 2430, INDS 2434, ART 1010, and ART 1020) must either be completed or in progress before you can apply for admission to the Interior Design (INDS) Program.
- ◆ *You must have completed a minimum of 30 semester hours before applying for the program.* We recommend that you begin taking these courses the first semester of your freshman year.
- ◆ CISM 1120/1110: This is a required prerequisite to FACS 2437, so we recommend you take this as your Area D Elective and take this early in your program of study.

Student has submitted a completed "Pre-Interior Design Major Information Form."

Student has attended a mandatory orientation session: \_\_\_\_ Spring 2009 \_\_\_\_ Fall 2009 \_\_\_\_ Spring 2010

### MINIMUM PROGRAM ADMISSION REQUIREMENTS FOR THE INTERIOR DESIGN (INDS) PROGRAM

In order to be considered for admission into the Interior Design Program, applicants must meet the following minimum requirements:

1. Attain admission to Georgia Southern University.
2. Declare Pre-Interior Design (INDS) as a major. Until students meet admission criteria and are admitted into the Interior Design Program, they will be considered "Pre-INDS" majors and will be advised in the College of Health and Human Sciences Student Services Center. **DESIGNATION AS A PRE-INDS MAJOR IS SEPARATE FROM THE APPLICATION PROCESS AND DOES NOT GUARANTEE ACCEPTANCE INTO THE INTERIOR DESIGN PROGRAM.**
3. Have a minimum of first semester sophomore status (30 semester hours completed) upon applying for the program.
4. Achieve a minimum total overall institution GPA of 2.25 or better on all course work attempted (transfer course work and work completed at Georgia Southern University are considered).
5. Complete a minimum of the following Area F courses with a "C" or better: INDS 2430, INDS 2434, and 2 of the 3 ART courses in Area F, preferably ART 1010 and ART 1020. (Students may be enrolled in ART courses during the application semester.)
6. By the end of the first two semesters as a declared Pre-INDS major, students shall have:
  - a. Attended the semester Orientation Session (mid September or mid February) in the Interior Design complex announced through email (either Fall or Spring Semester of the first year as a Pre-INDS major).
  - b. Turned in a completed Information Form (found on CHHS Student Services Center website at <http://www.id.georgiasouthernhealthscience.com>).
7. Students transferring in with an Interior Design Major from other schools **are required to have their portfolio and transcript(s) evaluated** by the Interior Design Program Coordinator who is responsible for determining which design courses remain to be taken and which design courses may receive transfer credit. **Adequate time must be allowed** for scheduling, review and notification.

**Meeting minimum requirements is NOT a guarantee of acceptance into the program.**

### APPLICATION FOR ADMISSION TO THE INTERIOR DESIGN PROGRAM:

The following completed Admission Package must be turned in by the application deadline in order for the candidate to be considered:

1. Official Application (available at <http://www.georgiasouthernhealthscience.com/departments/htfcs/undergraduate/interior-design-application.html>).
2. Letter of Intent.
3. Verification of grades with official transcripts of all schools attended including this university (WINGS transcripts accepted); mid-term verification of grades for all required courses in process (Students may be in the process of taking ART 1010 or ART 1020 and will be required to submit a mid-term grade from the professor. Final acceptance is contingent upon the final grade received in the course.)

### APPLICATION DEADLINES

- ◆ **March 1** for Fall admission consideration
- ◆ **October 1** for Spring admission consideration  
(If date falls on a weekend or holiday, then application due the next working day.)

### PROGRAM PROGRESSION REQUIREMENTS

1. Students must earn a **minimum grade of "C" in all courses** within the major requirements including remaining Area F courses.
2. Students must maintain a 2.25 total institution overall GPA. An admitted student whose total institution GPA falls below 2.25 will be on probation for one semester. If the student's GPA remains below 2.25 after the probation semester, the student will be dropped from the program. The student may be re-admitted to the program only by the application process outlined above.
3. Students must complete the courses in sequence and complete all prerequisites. If a course is dropped or failed, then the student will be out of sequence and graduation will be delayed. These students may have to reapply to the major depending on circumstances, availability of space, and time elapsed between classes.
4. Majors that drop from the program due to personal reasons and wish to reapply at a later date must have courses and skills reevaluated to determine eligibility for the current curriculum and program.

**NOTE:** Students transferring into the Interior Design major from other majors or from other institutions may not be able to graduate necessarily within the traditional four-year period. For additional information, contact the College of Health and Human Sciences Student Services Center at (912) 478-1931 or the Department of Hospitality, Tourism and Family and Consumer Sciences at (912) 478-5544.

The Interior Design Program is accredited by the Council for Interior Design Accreditation (CIDA) and the National Association of Schools of Art and Design (NASAD).
